Recent Success: Yegua Structure 750 MBO Tested 400 BOPD

Integrating Geology, Geophysics and Production data we strive to strike a balance between safety, a concern for the environment, risk reduction and efficient service as prospects are developed and delivered in a timely fashion. This makes us the perfect partner when it comes to identifying prospects whether on open acreage or in a field, in your 3D or ours.

SIPES 2021 Convention at a Glance

Monday - June 7

8:30 A.M. - 5:00 P.M. Registration

9:00 - 10:00 a.m. Chapter Chairmen's Meeting

9:00 - 10:00 A.M. SIPES Presidents' Council Meeting

10:00 A.M. - 12:00 P.M. SIPES BOD Meeting

12:00 - 1:00 P.M. Lunch for Board of Directors, Chapter Chairmen & Past Presidents

1:00 - 2:00 P.M. SIPES Foundation BOD Meeting

3:00 - 5:00 P.M.
SIPES Foundation Seminar
(at the hotel)

6:00 - 7:30 P.M. Icebreaker

Tuesday - June 8

8:00 A.M. - 4:00 P.M. Registration

8:00 - 11:45 A.M.Technical Sessions

12:00 - 1:15 P.M.All-Convention Luncheon & Annual Business
Meeting

1:30 - 4:30 P.M. Discovery Room

1:30 - 3:30 P.M. Trolley Historical Tour

1:30 - 4:30 P.M. Enchanted Rock Tour

1:45 - 4:15 P.M. Cooking School Class

6:30 - 9:30 P.M SIPES Awards Banquet (at Texas Wine Collective)

Wednesday - June 9

8:30 A.M. - **12:00** P.M. Registration

8:30 A.M. - 12:00 P.M. Technical Sessions

11:00 A.M. - 12:00 P.M. Ethics Course

12:30 - 5:30 P.M. Bamberger Ranch Tour

1:00 - 4:00 P.M. Discovery Room

1:00 - 4:00 P.M. Art Gallery Tour

2:00 - 4:15 P.M. Wine & Cheese Tasting

6:30 - 9:00 P.M.Cornerstone Group Reception
(by invitation only)

8:45 - 11:15 P.M. Stargazing Tour

Thursday - June 10

6:30 A.M. - 5:30 P.M. OR 8:30 P.M.

Post-Convention Field Trip to Canyon Lake Gorge, Enchanted Rock and Luckenbach (Note there are two optional return times)

6:00 - 8:30 P.M. Luckenbach Barbeque Dinner

Energy 101

by Jory A. Pacht, #3054 — Altair Resources, LLC, Sugar Land, Texas

Perhaps the most important thing to understand about energy is just how much of it we use. Every man, woman and child in the world uses 20 million watt-hours of energy per year. In developed countries, the number is far higher. The reason energy use is so high is that energy is in everything we do. As we hear various pundits and politicians calling for a carbon-free world in 30, 20 and now 15 years, we have to ask if this is realistic. Can we accomplish this without devastating our economies? And if the U.S. takes this step, will the rest of the world, including economic competitors like China, follow suit?

Anthropogenic global warming is an inconvenient truth. But so are the huge benefits that every country in the world has enjoyed and is enjoying as a function of cheap fossil fuel energy. Political invective on both sides is counter-productive and only creates division.

Jory Pacht began his career at ARCO in the exploration research department in 1980, where his work focused

largely on using seismic and wireline data to delineate depositional sequences and facies In 1992, Dr. Pacht founded Seis-Strat Services, Inc., a full service geological and geophysical company which employed up to 35 geoscientists in seven countries. He sold Seis-Strat Services in 2007. Since 2004, along with his partners he has started and sold a series of PE-funded oil and gas production companies. Dr. Pacht is currently conducting conventional exploration in the Gulf Coast and has assembled a team to conduct unconventional exploitation of conventional Gulf Coast reservoirs. He serves on the Alumni Advisory Board of the School of Earth Sciences at Ohio State, where he received his Ph.D.

Deregulation and the Texas Energy-Only Market

by Joshua Runion — Pumpjack Power, LLC, Spicewood, Texas

Joshua is responsible for leading, directing and executing the strategy and growth initiatives for Pumpjack Power, the only REP designed to serve the oil and gas industry specifically. Prior to founding Pumpjack Power, Joshua served as a private retail energy consultant for 12 years. With his primary focus addressing the deregulation of west Texas, he strives to improve upon the operational strategies of mass serving Option 1 Retail Electric Providers in the pursuit of providing transparency and customized service. The load profile of the oil and gas industry is unlike any other consumer of electricity, and it is Josh's belief that they should benefit financially and operationally from this very important distinction. As a result, following Pumpjack Power's establishment in 2018, its partners are reducing their operational expenses across the oil field and are empowered to focus on growth.

Joshua Runion is also the co-founder of Power Infrastructure Partners, an EPC company addressing the main concern of connectivity in the Permian and Delaware basins. The major focus of PIP is to help operators design and implement electrical infrastructure solutions related to private EDS systems, generation and other ESG initiatives.

Convention Activities

Registered Events

ENTRANCE TO MEETING EVENTS

Entrance to all SIPES Convention events and tours will be by convention name badge. All attendees must be registered in order to attend the icebreaker on Monday evening.

SIPES Member, Associated Member and Non-Member Registration include the following items:

- Icebreaker
- Technical Sessions on Tuesday & Wednesday
- All-Convention Luncheon on Tuesday
- SIPES Ethics Course on Wednesday
- Ability to register for all optional tours and events

Spouse/Guest Registration includes the following:

- Icebreaker
- Ability to register for all optional tours and events

Extra fees are required for the SIPES Foundation Seminar, all optional tours and events, including the Awards Banquet, and the Post-Convention Field Trip. Fees for all events increased after May 7, 2021. Some events may still be available to purchase at a higher rate through the registration desk.

If space is still available, non-registered spouses and guests may register for the Thursday Post-Convention Field Trip at the higher rate.

ICEBREAKER

MONDAY, JUNE 7 - 6:00-7:30 p.m.

Meet with friends and colleagues while enjoying hors d'oeuvres and drinks at the 2021 Convention Icebreaker at the hotel. Each registrant will receive two complimentary drink tickets. A cash bar will also be available. *Convention registration is required to attend.*

ALL-CONVENTION LUNCHEON & ANNUAL BUSINESS MEETING

TUESDAY, JUNE 8 — 12:00-1:15 P.M.

Three Paleo Human Mysteries
by Neil Bockoven

Mystery One: Did we mate with Neanderthals and have viable offspring? If so, what genetics did we get from them?

Mystery Two: Neanderthals lived in Europe for more than 250,000 years.

When we (*Homo sapiens*) arrived on the scene about 45,000 years ago, they disappeared quickly — forever. What happened?

Mystery Three: Why is an Australian aborigine genetically more similar to a Scandinavian than an African tribesman is to a member of a different African tribe?

In addition to answering these and other intriguing questions, we'll discuss the huge breakthroughs coming from ancient DNA analysis, and the different information we get from the three types of DNA.

The SIPES All-Convention Luncheon is included in the registration fee for members and non-members only. Spouses or guests who want to attend should purchase an individual ticket for the event.

ETHICS COURSE

Wednesday, June 9 - 11:00 a.m.-12:00 p.m.

Grey Areas: Interactive Application of Business Ethics in the Geoscience Profession by John E. Jordan, Jr.

This course will provide a very brief review of the Business Ethics Model, a review of the AAPG ethics/code of conduct, and will focus heavily on examples where your business ethics are tested. I need to hear from YOU to make this experience more meaningful! Please submit ethics examples you have encountered in your career to me at (JJordanDPA@AAPG.org) to be considered for use in the lecture. Examples will be anonymous, and the situation will be modified, but the issue will be the same as submitted. Using the examples, the audience will provide immediate digital feedback while we discuss business ethics focusing on making sound, consistent and ethical decisions. Come and join this entertaining and spirited discussion about the "grey areas" and make sure to bring a phone that is capable of texting. I will provide all participants with a continuing education certificate upon request.

John E. Jordan, Jr. is the 2019-20 President of the AAPG Division of Professional Affairs (DPA), Past President of the Houston Geological

Society (HGS) and a licensed geoscientist in Texas. He is a retired project geophysical advisor who has worked for several Fortune 500 oil companies in California and Texas. Prior to joining Anadarko in 2007, he worked at Kerr McGee,

Noble Energy, Arco and Chevron. During 30+ years in the oil industry, he has worked deepwater and onshore projects from Alaska and the Gulf of Mexico to the Middle East, Asia, Africa and South America. John is a graduate of Wright State University where he received both a B.S. and an M.S. from the College of Science and Mathematics majoring in geology and geophysics. He does not hold degrees in philosophy or jurisprudence, but enjoys lively debate on most any subject.

There is no fee to attend this talk; it is presented to help meeting attendees meet ethics course requirements.

2021 Convention Tours & Events

You must be a registered meeting attendee in order to sign up for the tours below.

TUESDAY, JUNE 8

Trolley Historical Tour

1:30-3:30 p.m. \$60 per person

Come aboard this nice trolley to learn a little about the history of Fredericksburg. You will enjoy an entertaining and informative guided tour that highlights sev-

eral of our most important landmarks, incredible architecture, and German heritage. True tales of some of Fredericksburg's colorful characters and pioneers will keep you wanting more. Participants will have the opportunity to disembark at two locations to enjoy an up-close look. Some walking required.

Includes round-trip transportation, guided tour, tax and gratuity.

Enchanted Rock Tour

1:30-4:30 p.m. \$80 per person

Enjoy this guided tour of Enchanted Rock with a park ranger. Visitors have been coming to Enchanted Rock State Natural Area for centuries, and it remains one

of the most popular things to do in Fredericksburg. It offers 8.4 miles of hiking trails, a nature trail, interpretive exhibits, rock climbing, watchable wildlife and a park store. Be sure to wear appropriate shoes for hiking. This is a fairly strenuous hike.

Includes round-trip transportation, guided tour, tax and gratuity.

Cooking School Demonstration

1:45-4:15 p.m. \$80 per person

Professional Chef Herrera will work with you to prepare a sampling of a traditional German meal

including Currywurst, Rotkohl (red cabbage), Jagerschnitzel (pork with mushroom sauce), Käsespätzle (German mac and cheese), and Flambé Apples with ice cream.

You will be able to taste bites of each course while sampling delicious Texas wines. Enjoy this handson demonstration in the beautiful setting of the pine trees and Das Peach Haus.

Includes round-trip transportation, demonstration, snacks, wine, tax and gratuity.

WEDNESDAY, JUNE 9

Bamberger Ranch Tour

12:30-5:30 p.m. \$100 per person

On this three-hour tour of a working ranch you will see the results of fifty years of habitat restoration. You will be shown projects which

demonstrate principles of good stewardship.

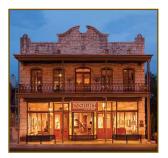

You may also see dinosaur tracks, fossil beds, a herd of endangered Scimitar-horned Oryx, the "Chiroptorium" which is a man-made bat cave designed to hold a million Mexican Free-tailed bats. You'll walk the nature trail and then enjoy Madrone Lake as you watch "The Rain Machine."

Transportation is on the Bluebonnet, an open-air trailer with a shade bonnet, so dress for the weather, and don't forget a hat! You may also want to bring binoculars if you have them.

Includes box lunch, bottled water, round-trip transportation and guided tour.

Art Gallery Tour

1:00-4:00 p.m. \$75 per person

Experience a tour of several local art galleries and artisans. This guided tour will include a gallery dedicated to Texas artisans, a gallery that hosts international auctions, a chocolate artisan and a barrel artisan. There will be a lot of surprises along the way. Join us

for a fun, unique and educational adventure!

Includes round-trip transportation, guided tour, tax and gratuity.

Wine & Cheese Tasting

2:00-4:15 p.m. \$90 per person

You will enjoy award-winning Texas wines, along with a sampling of cheese at a winery that now has the fourth generation doing business in the same location. Has it always been a winery? You will have

to attend to find out. This tasting includes a tour through the production facility and a taste of wine right out of the barrel! So come sit back, relax and enjoy a taste of the Texas Hill Country.

Includes round-trip transportation, cheese and wine samples, guided tour, tax and gratuity.

Stargazing

8:45-11:15 p.m. \$55 per person

View the incredibly beautiful night sky with the help of an astronomer and huge computer-guided telescopes and laser pointers. Glide past ancient galaxies as you look back in time hundreds to millions of years and see more stars in the sky than there are grains of sand on all the beaches of earth. It's like a travel planetarium. Not to be missed! This event takes place at the Hangar Hotel.

Includes round-trip transportation, astronomer presentation, telescopes, tax and gratuity.

Fredericksburg on your Own

SHOPPING ON MAIN STREET

Main Street is the center of the action in Fredericksburg, where you can find more than 150 shops, boutiques and art galleries, as well as dozens of res-

taurants, wine tasting rooms, a brewpub, two museums and more.

Shopping has been a reason folks come to Fredericksburg for years - as shops on Main Street are all locally owned and operated by people that call Fredericksburg home. Franchises and chain stores are not allowed in the National Historic District (which runs along Main Street), so rest assured that your Fredericksburg shopping experience will be unique.

Most shops and boutiques close at 5:00 p.m. daily.

• THE PRESERVE

The Preserve opens a door to life-enriching experiences, not only for the animals, but for the community – for people who simply love and appreciate elephants. The Preserve provides intimate, meaningful experiences between people and animals

that generate a level of caring that cannot be achieved any other way.

The Preserve's mission is to preserve all animals by building awareness through contact and education in partnership with our animal ambassadors. Contact cultivates caring, which encourages conservation.

Please call 830-992-0373 or visit the website - www. visitthepreserve.com for current experience times. Tickets available online or on site at the days and times listed.

ALTSTADT BREWERY

Altstadt is an authentic Bavarian brewery dedicated to creating the purest, easy-drinking beers guided by the historic German purity law of 1516. Altstadt's premium German-style beers are carefully made using only four ingredients – hops, barley, yeast and artesian spring water – under the direction of a world-renowned German brewmaster using the finest hops, barley and

yeast imported from Germany. The 120-acre Old World destination features a fine dining restaurant and brewery tours. It is located at 6120 US Highway 290 East.

Go to www.altstadtbeer.com or call 830-304-2337 for more information.

• LADY BIRD JOHNSON GOLF COURSE

Enjoy the beauty of the Texas Hill Country while playing a round of golf. Fredericksburg is home to one of the

state's top municipal golf courses, Lady Bird Johnson Golf Course.

Open seven days a week, the Course also has a golf shop, grill, and meeting/tournament room. After a ninemonth, nearly \$2 million reno-

vation, the Lady Bird Johnson Golf Course improvements and renovations at the 18-hole, par 71, 6,686-yard course include a new staging area for tournaments, recontoured fairways with industry standard 419 Bermuda, industry-leading Champion Ultra Dwarf on the greens, new golf carts, concrete cart paths and the updated Red Bird Grill.

It is located at 341 Golfer's Loop, three miles south on Highway 16. Call 830-997-4010 or check the website - www.golffredericksburg.com for tee times, green fees and cart rental information.

• NATIONAL MUSEUM OF THE PACIFIC WAR

Opened in 1967, the National Museum of the Pacific War (NMPW) is recognized today as a world-class, cultural institution. A Smithsonian Affiliate, and accredit-

ed by the American Alliance of Museums, NMPW provides the nation's most comprehensive account of World War II in the Asiatic-Pacific theater.

Open Wednesday-Sunday from 9:00 a.m. to 5:00 p.m.

(last ticket sold at 3:30 p.m.). Closed Mondays. Reservations are highly recommended. Walk-ins as space allows. Visit www.pacificwarmuseum.org for more information. Located at 340 E. Main Street.

The above information is provided by the Fredericksburg Convention and Visitors Bureau.

SIPES Awards Banquet

TUESDAY, JUNE 8 - 6:30-9:30 p.m.

TEXAS WINE COLLECTIVE 10354 E. U.S. HIGHWAY 290

(Shuttle service will be provided)

Fee: \$145 per person

(This event is not included with your basic registration fee and must be purchased separately).

Come to the SIPES Awards Banquet being held at the Texas Wine Collective for a fun-filled evening with new colleagues and old friends!

A wine cash bar will be available starting at 6:30 p.m., followed by dinner.

Awards Ceremony

Following the dinner, there will be an awards ceremony.

William R. Finley, #2167, of Lafayette, Louisiana, will receive SIPES Honorary Membership. In the Society's fifty-seven year history, this award has only been presented on twenty-four previous occasions.

Bill Finley

The SIPES Outstanding Service Award will be presented to **D. Craig Smith**, #3124, of Midland, Texas, who will be honored for his many years of service to both SIPES and the SIPES Foundation.

Craig Smith

European Immigration to Texas with German Influence in the 1840s

Evelyn Weinheimer was born in Fredericksburg, grew up there and since 1977 is again residing in Fredericksburg. She is a retired teacher who has become very passionate about telling the history of her hometown especially since she has traced her ancestors back to the immigrant group from the German principalities who settled Fredericksburg and Gillespie County. She has shared her knowledge of the German history in

Texas with visitors to Fredericksburg as a parttime employee of the Gillespie County Historical Society for eight years. In that position she has managed archives, programs, and tours for the society which does business as Pioneer Museum. She is now archivist and tour coordinator.

The mission of the Pioneer Museum is to tell the story of the heritage of Fredericksburg and Gillespie County. During her talk Evelyn will share the story of how native Texans and European immigrants established the town of Fredericksburg in the 1840s.

Winning tickets for the SIPES Foundation's

No Hassle Raffle will be drawn.

You do not need to be present to win!

Post-Convention Field Trip

THURSDAY, JUNE 10 — 6:30 A.M.-5:30 P.M. OR 8:30 P.M.

Fee: \$200

Tour of Canyon Lake Gorge, Enchanted Rock and Luckenbach

led by Jim Jameson & R. David Shiels, #3171

Canyon Lake Gorge

The day will begin with Jim Jameson leading a three-hour tour of Canyon Lake Gorge, a unique area that was deeply scarred during the great flood of July 2002. Over 34 inches of rain fell on the area and overwhelmed the dam. Amazing structural features are exposed, as well as paleontological fea-

tures. Field trip attendees will be able to lay their hands on the Corbula sp. Zone that separates the upper and lower Glen Rose Formation. This is a dream experience for the carbonate-loving geologist.

Following the Canyon Lake tour, we will leave for the Enchanted Rock Pavilion for lunch. There, David Shiels will give a brief overview of the Enchanted Rock Batholith,

starting with Grenville time when the Town Mountain Granite was first formed over 1 billion years ago. The latest theories associated with the Llano Uplift will be discussed. Afterward, we will hike to the top of Enchanted Rock and the

Enchanted Rock

many exposed geologic features will be pointed out.

Next, we will depart for the Fredericksburg Inn to drop off those not attending the optional barbeque dinner (and to pick up those attending the dinner only) to be held around 6:00 p.m. in Luckenbach. SIPES members will be bringing instruments and talents to pick and sing with geo buddies. From Luckenbach, there will be bus transportation back to the hotel around 8:00 p.m. after the dinner and music!

Please note that there is a separate fee for the barbeque dinner; it is not included in the above tour price and will require a ticket.

Tour price includes round-trip bus transportation, guided tour, box lunch, bottled water, taxes and gratuities.

Don't forget to tell your favorite university earth science or engineering department about the SIPES Foundation Earth Science Scholarship Program!

Awards begin at \$1,000. Applications are accepted from students who are:

- currently enrolled in upper-division courses or graduate school
- majoring in a field of earth science or engineering
- U.S. Citizens
- maintaining a current overall GPA of 3.5 or higher

Three letters of recommendation are required to support the application.

The deadline date is June 30, 2021

Application forms are available online at http://sipes.org under the SIPES Scholarship tab
